

Powertrack International's *Kelly / Mud Pump Hose* is an ideal oilfield hose with a special abrasion and U.V. resistant cover. Our Kelly Hose is designed to meet or exceed the API requirement of a 2.5 to 1 safety factor. The Kelly Hose is coupled with our special Male API, long thread fittings or our new 2" Figure 602 Union fittings.

NO Hassle 2" Figure 602 Union Fitting

Large HEX Male API Fitting

Eliminates 2 leak points! Eliminates pipe dope and welding!
Also available in Fig. 1502 version for 6 wire hose.
