"HOSE PRODUCTS FOR INDUSTRY"

# SPIRAL GUARD

**Extend the life of your hose. Reduce costly repairs and downtime.**

Powertrack International's **Spiral Guard** protects hose, cable, wire, rope, etc. against rubbing, crushing, chaffing, ultraviolet, and other environmental hazards.

Spiral Guard is self-lubricating and easy to install while making hose assemblies, after assembly is complete, or after installation.

**Construction:**

Heavy wall, high density, high tensile, thermal plastic, polyethylene resin HDPE.  
 Temperature range: -180F (brittleness temp.) to +257F (softening point).

**AVAILABLE COLORS**

**Spiral Guard Specifications:**

Part Number	I.D. Inches	Length
SPIRAL GUARD-08	1/2"	100' Coil
SPIRAL GUARD-10	5/8"	100' Coil
SPIRAL GUARD-12	3/4"	100' Coil
SPIRAL GUARD-16	1"	100' Coil
SPIRAL GUARD-20	1-1/4"	100' Coil
SPIRAL GUARD-24	1-1/2"	100' Coil
SPIRAL GUARD-32	2"	100' Coil
SPIRAL GUARD-40	2-1/2"	50' Coil
SPIRAL GUARD-48	3"	50' Coil
SPIRAL GUARD-56	3-1/2"	40' Coil
SPIRAL GUARD-64	4"	30' Coil
SPIRAL GUARD-80	5"	25' Coil
SPIRAL GUARD-96	6"	20' Coil

Radius Machined on all edges inside and out eliminates cuts to hands, snagging, and protects hoses from sharp edges when bending and when bundling lines together.
